SKOK U PREDSEZONU: HRVATSKO OTVORENO NATJECANJE U INDOOR PADOBRANSTVU, OŽUJAK 2026.

CROATIAN OPEN INDOOR PRE- SEASON REFRESHENER COMPETITION, MARCH 2026.

DISCIPLINE 2 way Formation Skydiving (belly)

Competition consists of 5 competition rounds (25 sec working time – 45 sec flight) + 90 sec of practice flight. Each competition round consists of 4-6 points. Draw includes 4 randoms and 15 blocks (see dive pool in addendum).

The competition is open for any skydiver and tunnel flyer.

DISCIPLINA 2 way Formation Skydiving (belly)

Natjecanje se sastoji od 5 natjecateljskih rundi (25 sekundi radnog vremena – 45 sekundi leta) + 90 sekundi probnog leta. Svaka natjecateljska runda sastoji se od 4 do 6 figura (točaka). Nasumično izvlačenje uključuje 4 slučajna elementa i 15 blokova (vidi dive pool u dodatku).

Natjecanje je otvoreno za sve padobrance i letače u tunelu.

DISCIPLINE Belly Number Blast (belly)

In this discipline, flyers will be performing a solo flight around the tunnel, trying to touch as many numbers (preset in the tunnel) in order, each touch is a point. Once they reach the last number, they start from “one” again. The competition consists of three competition rounds (40 sec working time - 60 sec flight). + 60 sec of practice flight. Total points are the sum of all three competition rounds.

In this discipline flyers with less than 4 hours of tunnel time logged cannot place lower than those with more than 4.

The competition is open for any skydiver and tunnel flyer.

DISCIPLINA Belly Number Blast (belly)

U ovoj disciplini letači će izvoditi solo let unutar tunela, pokušavajući dodirnuti što više brojeva (unaprijed postavljenih u tunelu) redoslijedom kojim su zadani. Svaki dodir donosi bod. Nakon što dosegnu posljednji broj, ponovno kreću od „jedan”. Natjecanje se sastoji od tri natjecateljske runde (40 sekundi radnog vremena – 60 sekundi leta) + 60 sekundi probnog leta. Ukupan broj bodova je zbroj svih triju natjecateljskih rundi.

U ovoj disciplini letači s manje od 4 sata evidentiranog vremena u tunelu ne mogu biti plasirani niže od onih s više od 4 sata.

Natjecanje je otvoreno za sve padobrance i letače u tunelu.

DISCIPLINE Anything but Belly Number Blast (freefly)

In this discipline, flyers will be performing a solo flight around the tunnel, trying to touch as many numbers (preset in the tunnel) in order, each touch is a point. Once they reach the last number, they start from “one” again. The competition consists of three competition rounds (40 sec working time - 60 sec flight). + 60 sec of practice flight. Total points are the sum of all three competition rounds. Five points will be deducted for any significant time spent on the belly (approx. more than 1 second), if the judge determines that an advantage has been gained.

The competition is open for any skydiver and tunnel flyer that can safely perform chosen disciplines.

DISCIPLINA Samo da nije Belly Number Blast (freefly)

U ovoj disciplini letači će izvoditi solo let unutar tunela, pokušavajući dodirnuti što više brojeva (unaprijed postavljenih u tunelu) redoslijedom kojim su zadani. Svaki dodir donosi bod. Nakon što dosegnu posljednji broj, ponovno kreću od „jedan”. Natjecanje se sastoji od tri natjecateljske runde (40 sekundi radnog vremena – 60 sekundi leta) + 60 sekundi probnog leta. Ukupan broj bodova je zbroj svih triju natjecateljskih rundi. Pet bodova će se oduzeti za svako značajno zadržavanje na trbuhu (otprilike dulje od 1 sekunde), po procjeni sudca.

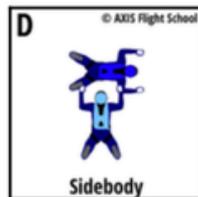

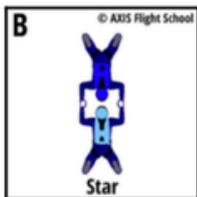

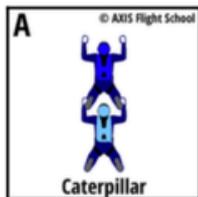

Natjecanje je otvoreno za sve padobrance i letače u tunelu koji su u mogućnosti sigurno letiti svoju izabranu poziciju.

Opća pravila:

- Natjecatelji moraju imati 18 godina ili suglasnost roditelja/skrbnika
- Natjecatelj može sudjelovati u svim natjecanjima, ali samo u jednom timu. Sudjelovanje u istoj kategoriji za dva različita tima nije dopušteno.
- Nagrade u obliku vremena u tunelu i/ili skokova mogu se iskoristiti u roku od 1 godinu od održavanja natjecanja, točnije do 21. 03. 2027
- Redoslijed letenja za natjecanje bit će nasumično dodijeljen.
- Svaki tim će imati službeni trening let prije natjecateljskih rundi. Za trening rundu koristi se obavezni zadani likovi; nijedan drugi redoslijed nije dopušten. Ako se obavezna runda ne poštuje tijekom trening runde, prva natjecateljska runda rezultirat će s 0 bodova.
- Video oprema koja se koristi za bodovanje mora biti postavljena od strane vjetrotunela ili organizatora događaja. U slučaju tehničkih problema s video opremom ili vjetrotunelom, pogođena runda bit će ponovljena bez dodatnih troškova (ovo se ne odnosi na svaki tim).
- Odgovornost tima je osigurati da su formacije jasno vidljive kameri i da se ne lete previsoko. Maksimalna visina letenja za 2way FS bit će označena na staklu.
- Problemi s opremom natjecatelja (odijelo, kaciga i sl.) ne mogu biti razlog za zahtjev za ponovnim letenjem. Ako tim ne stigne na vrijeme u komoru i propusti svoj redoslijed, ta runda bit će ocijenjena s 0 bodova, bez mogućnosti ponovnog letenja.
- 2way FS – Vrijeme započinje kada noge prvog člana tima napuste pod vratima ili kada bilo koji dio tijela dotakne mrežu. U disciplini Belly Number Blast i Samo da nije Belly Number Blast početak se definira izlaskom iz prostorije kroz vrata tunela ili dodirrom mreže u tunelu i kada noge napuste tlo vrata. Dodjeljuju se - 4 kaznena boda za svako prekoračenje zadanog flight time-a u rundi u svakoj disciplini (ako sat dostigne minus vrijeme, a bilo koji od natjecatelja se nalazi unutar tunela).
- Za 2way FS radno vrijeme iznosi 25 sekundi (ulazak 45); a za Belly Number Blast i Samo da nije Belly Number Blast je 40 sekundi (ulazak ukupne runde 60 sekundi) sekundi. Let završava kada signalna svjetlost zasvijetli na 35/50/50 sekundi (ovisno o disciplini).
- Dopušteno je naginjanje i držanje unutar tunela. Timovi mogu ući zajedno ili odvojeno. Kada članovi tima ulaze odvojeno, vrijeme počinje kada prvi član uđe u tunel.
- Suci su instruktori u tunelu/organizatori prema odluci organizatora
- U slučaju izjednačenja vremena za 1., 2. i/ili 3. mjesto u svakoj od disciplina, prema odluci suca održati će se dodatna runda

General rules:

- Competitors must be 18+ or have written consent of a parent/guardian
- A competitor can participate in all competitions, but only as part of one team. Competing in the same category for two different teams is not allowed.
- Rewards in the form of tunnel time and/or jumps may be used within one year from the date of the competition, specifically until March 21, 2027.
- The flight order for the competition will be assigned randomly.
- Each team will receive an official practice flight prior to the competition rounds. The practice round will follow a mandatory draw; no alternative sequence can be used. If the mandatory draw is not followed during the practice round, the first competition round will result in 0 points.
- The video equipment used for scoring must be set up by either the wind tunnel or the event organizers. In the event of a technical failure with the video equipment or the wind tunnel, the affected round will be re-flown at no additional cost (this does not apply to every team).
- It is the team's responsibility to ensure that formations are clearly visible to the camera and not flown too high. A maximum flying height for 2-way FS will be indicated on the glass.
- Problems with a competitor's equipment, such as suit or helmet issues, will not be grounds for requesting a re-flight. If a team fails to appear on time in the chamber and misses their assigned order, the round will be scored as 0, with no possibility of a re-flight.
- 2-way FS – The clock starts when the first team member's feet leave the antechamber floor or when any part of the body touches the net. In Belly Number Blast and Anything but Number Blast, the start is defined by exiting the antechamber through the tunnel door or touching the net inside the tunnel, with feet leaving the ground. There will be -4 penalty points awarded for exceeding the flight time limit in any round of any discipline (if the timer reaches minus time while any competitor is still inside the tunnel).
- For 2-way FS, the working time is 25 seconds (entry time 45 seconds), for Belly Number Blast and Anything but Number Blast it is 40 seconds (entry time for the full round is 60 seconds). The flight ends when the signal light flashes at 35/50/50 seconds (depending on the discipline).
- Leaning in or holding onto the tunnel is allowed. Teams can enter together or separately. When entering separately, the time starts when the first team member enters the tunnel.
- The Judges will be tunnel instructors/organizers
- In a case of a tie for 1st, 2nd and/or a 3rd place in any discipline, an extra round will be performed
- organizatori zadržavaju pravo promjene datuma ili otkazivanja natjecanja ako se iz vremenskih ili tehničkih razloga natjecanje neće moći održati u zadanom terminu/The organizers reserve the right to change the date or cancel the competition if it cannot be held on the scheduled date due to weather or technical reasons
